To our esteemed group:

I didn't realize booking seven such busy people to meet would be more difficult than dealing with 400 for a Symposium!

The best time for the majority to meet with Kit Kennedy for a pre-Symposium meeting is this WEDNESDAY, April 12th, at 2:30 to 3:30. I understand one or two of you cannot make that entire meeting at this time, but if you can stop in even for a while, that in itself would be helpful.

The pre-meeting with Kit has helped make our nineteen years of the Symposium so successful. We will also have the opportunity to talk somewhat the evening before the Symposium on April 20th at the private dinner. The morning of the Symposium, Kit does an awesome job with the one and a half hour panel discussion after each of you have presented for fifteen minutes. The meeting this Wednesday is very helpful for that discussion.
